Skill Boost registration guide, step by step

For anyone who missed the session: how to register for Skill Boost (now called Google Skills). Follow the screenshots to fill in both forms.

Short steps | Screenshots | Both forms covered | Register by 31 Oct 2026

Step 1: Create a fresh Google account

Start with a new account made for this program, so only your new badges count.

1

Open the sign-up page

Go to accounts.google.com and choose Create account, then For my personal use.

2

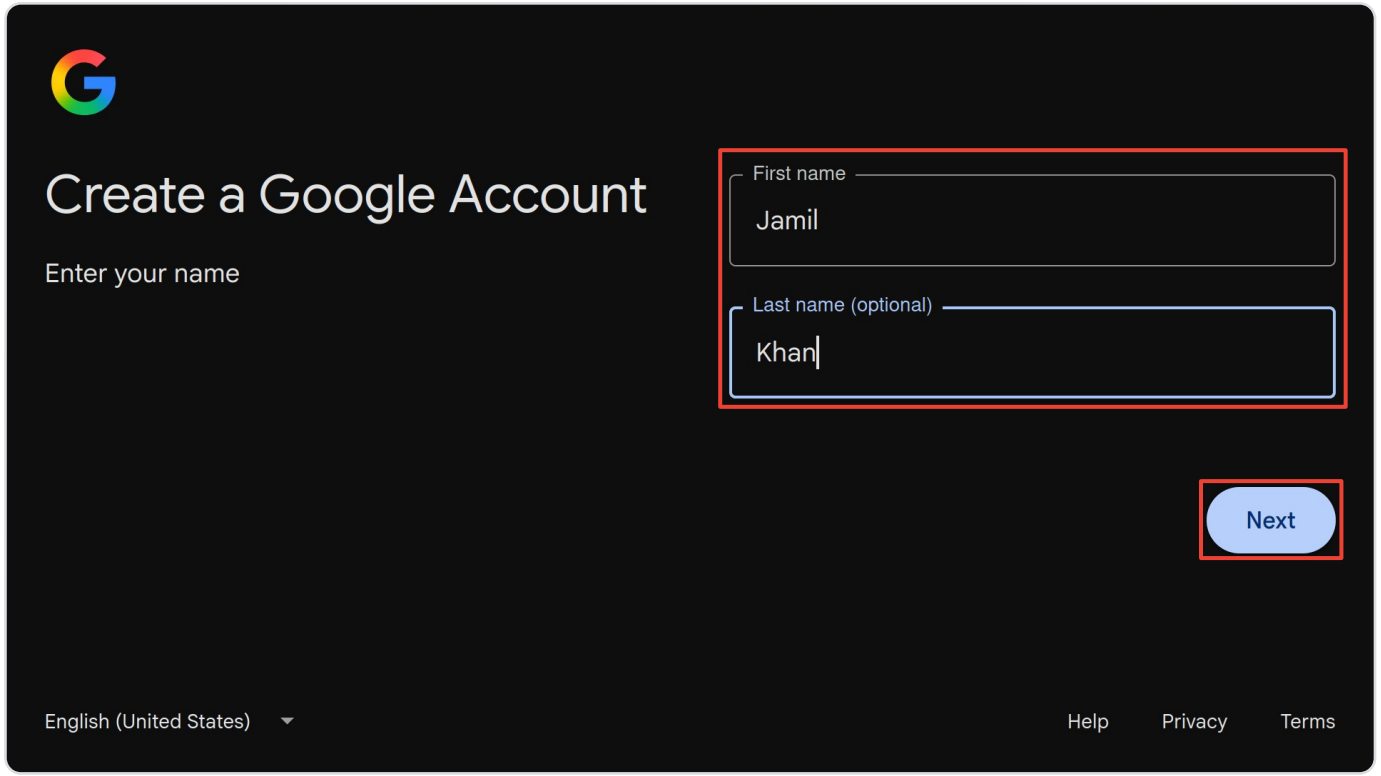

Enter your name

Type your first and last name in the first red box, then click Next.

3

Finish the setup properly

Add birthday, pick a username and a strong password, and verify your phone. Note them down.

Step 2: Go to Google Skills

Go to this site, then join with the fresh Google account you created in Step 1.

1

Go to this site

Open skills.google (Google Skills, formerly Cloud Skills Boost) in your browser.

2

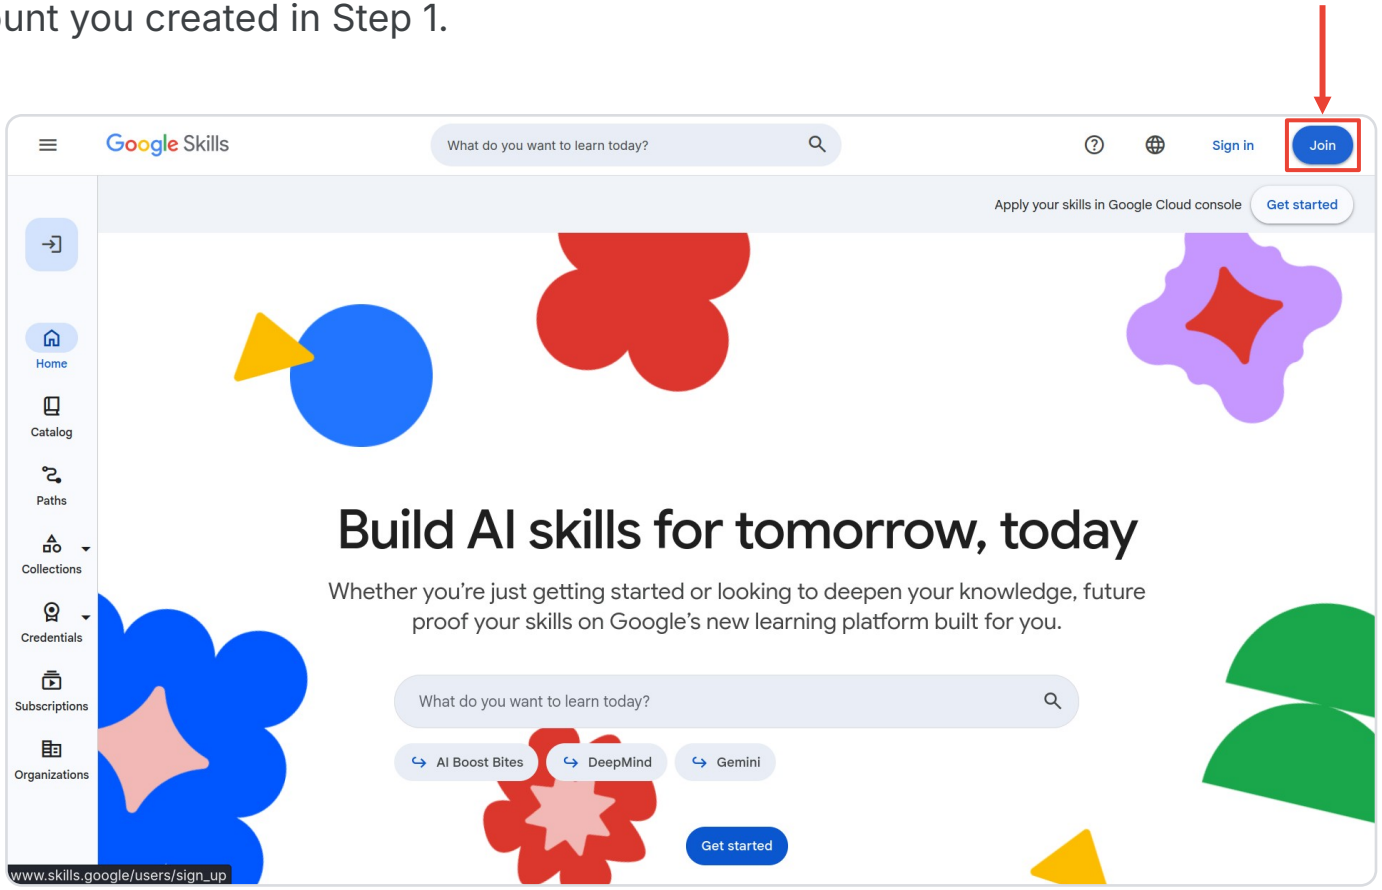

Click Join

Click Join at the top right, marked with the red box and arrow.

3

Join with your fresh account

Use the new Google account you just created, not an old one.

Step 3: Open your profile settings

Once you have joined, open Settings from your profile menu.

1

Click your profile icon

Click your profile icon at the top right, marked with the red box.

2

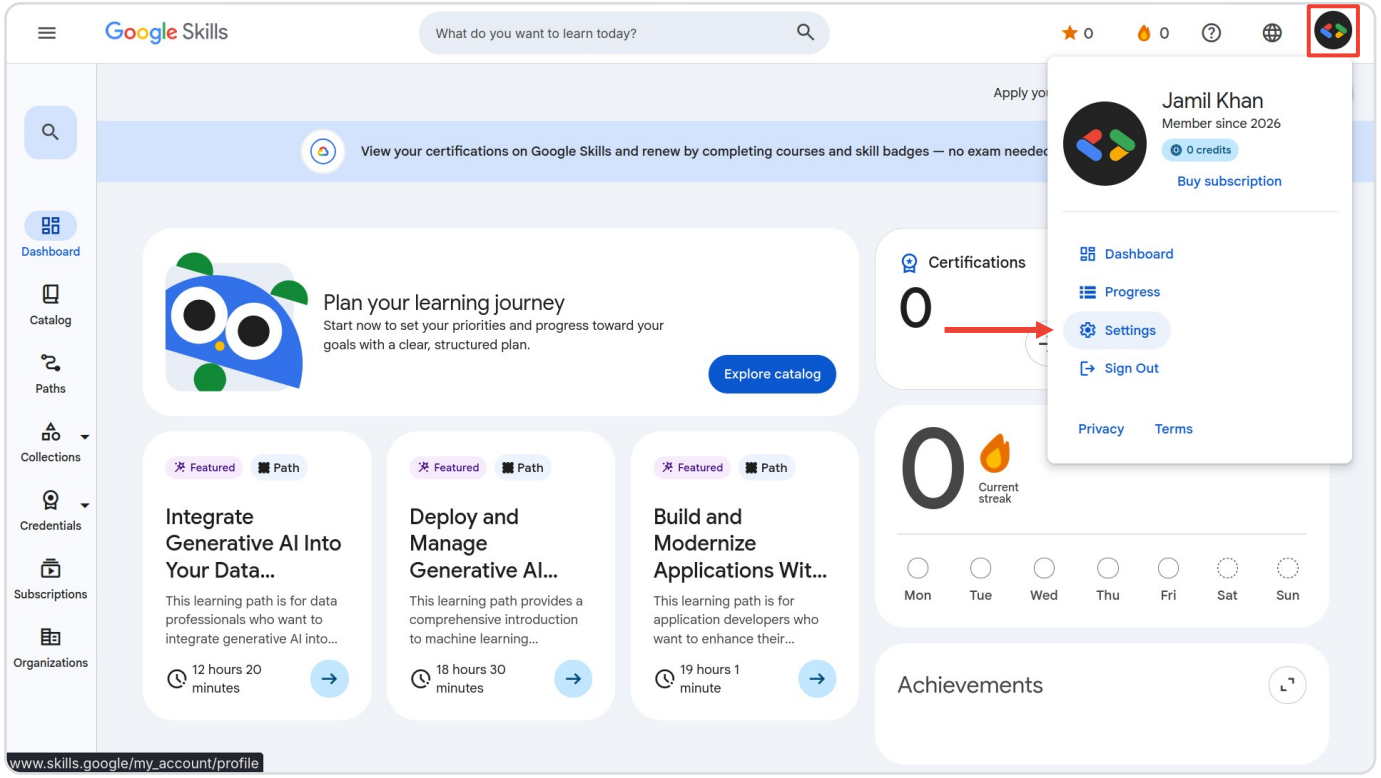

Choose Settings

Pick Settings from the menu, shown by the arrow.

3

Get ready to go Public

Next, you will set your profile to Public.

Step 4: Make your profile public

In Settings, scroll down to the Public visibility section so Google can verify your badges.

1

Tick Make profile public

Scroll down to Public visibility, then tick the checkbox in the first red box.

2

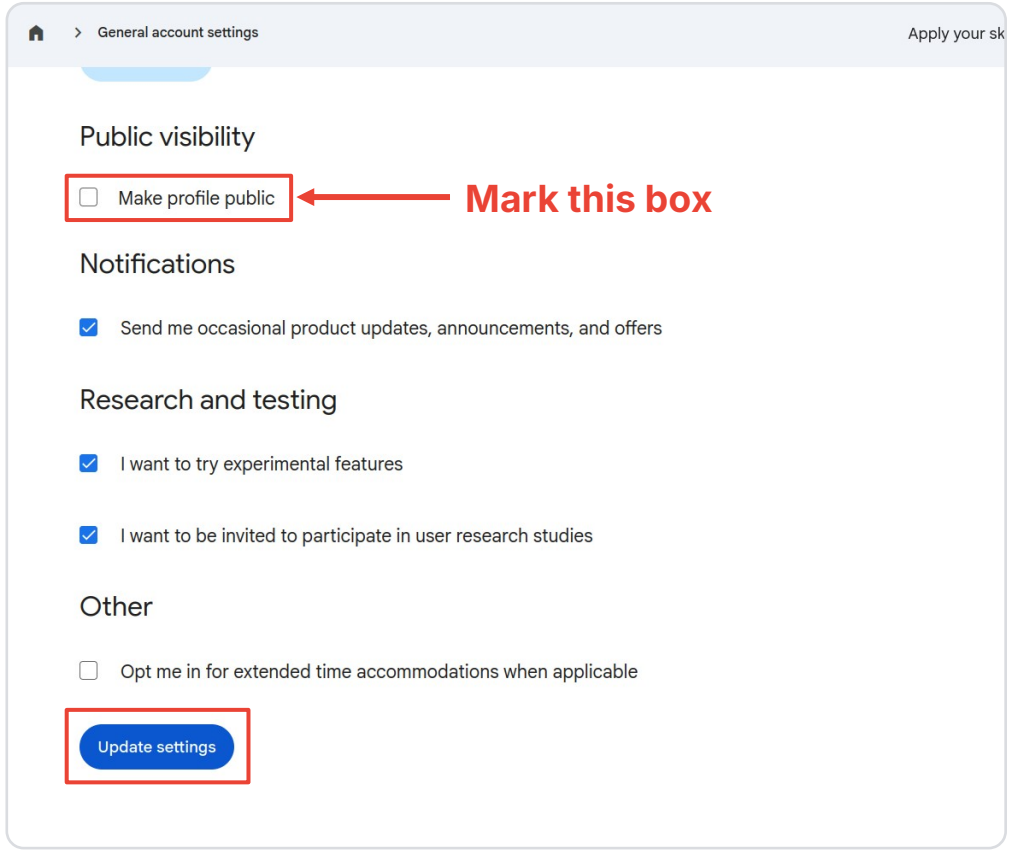

Click Update settings

Press the blue button at the bottom to save, marked with the second red box.

3

Your profile is now public

Your badges can now be verified.

Step 5: Copy your public profile link

You need this link for the registration form, so save it before you move on.

1

Find your public link

A green box shows your profile link, marked with the red box.

2

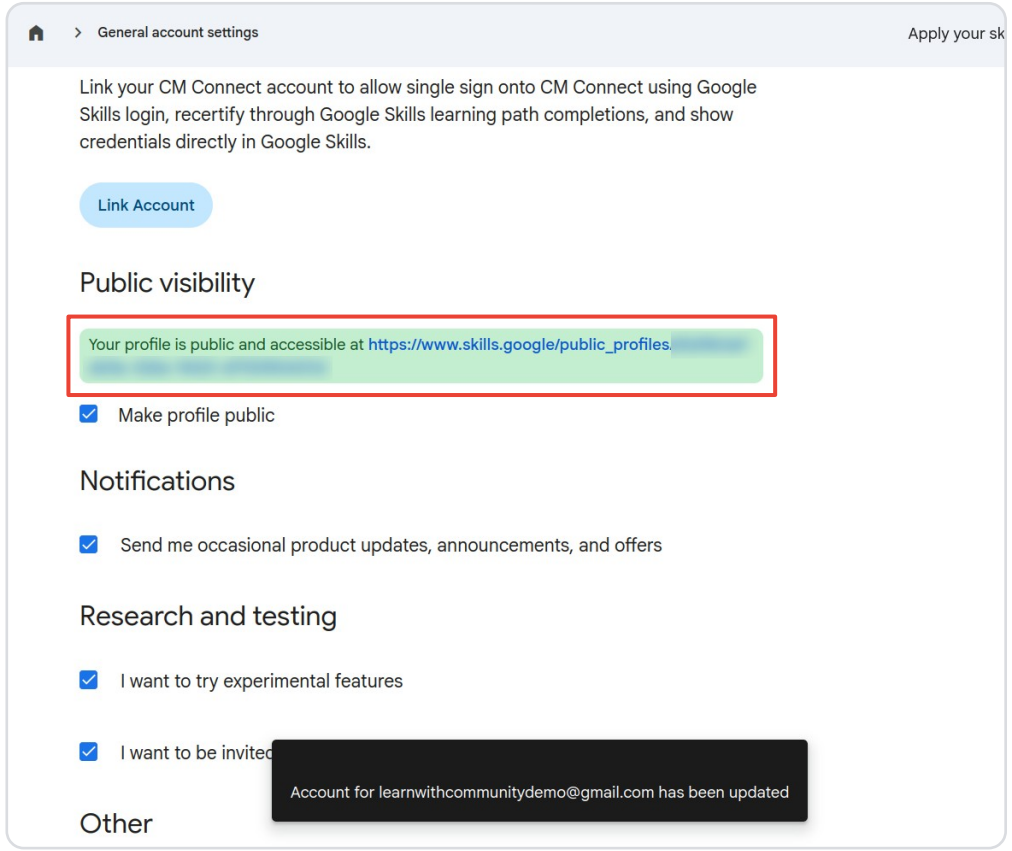

Copy the link

Select the whole link and copy it.

3

Save it somewhere safe

Paste it in Notes or a message to yourself. You will need it soon.

Step 6: Open the enrolment form

With your profile link saved, open the Participant Enrolment Form.

1

Open the form link

Open forms.gle/VDXwE13LoaNhA2VeA in your browser.

2

Check the form title

You should see Google Cloud Learn with Communities - Participant Enrolment Form.

3

Read before you fill

Read the points to note at the top, then start filling in the form.

Step 7: Enter your email

Page 1 of 13: start with your email address.

1

Type your email

Enter the email of the fresh Google account you created, in the first red box.

2

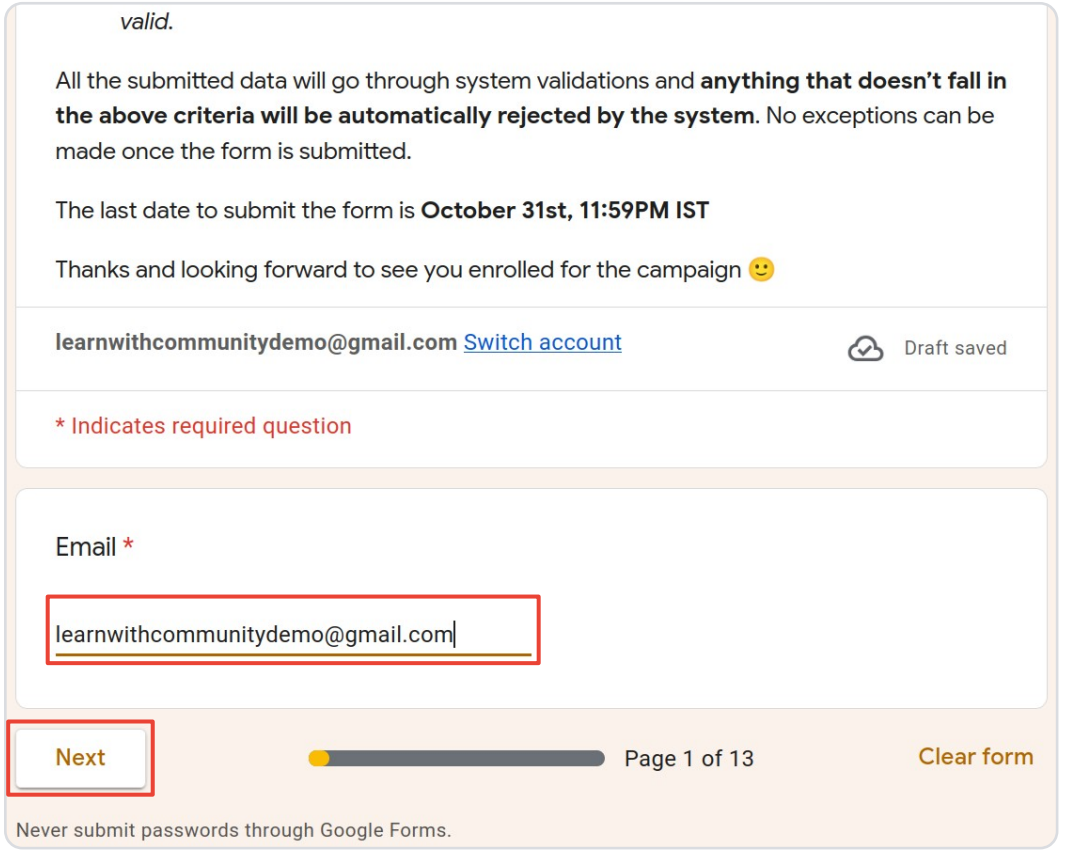

Check it carefully

Make sure there are no typos, because Google emails your access code.

3

Click Next

Press Next, marked with the second red box, to go to the next page.

Step 8: Accept the terms

Page 2 of 13: read the terms, then accept them.

1

Read the terms

Read the terms above, including Communication and Tracking.

2

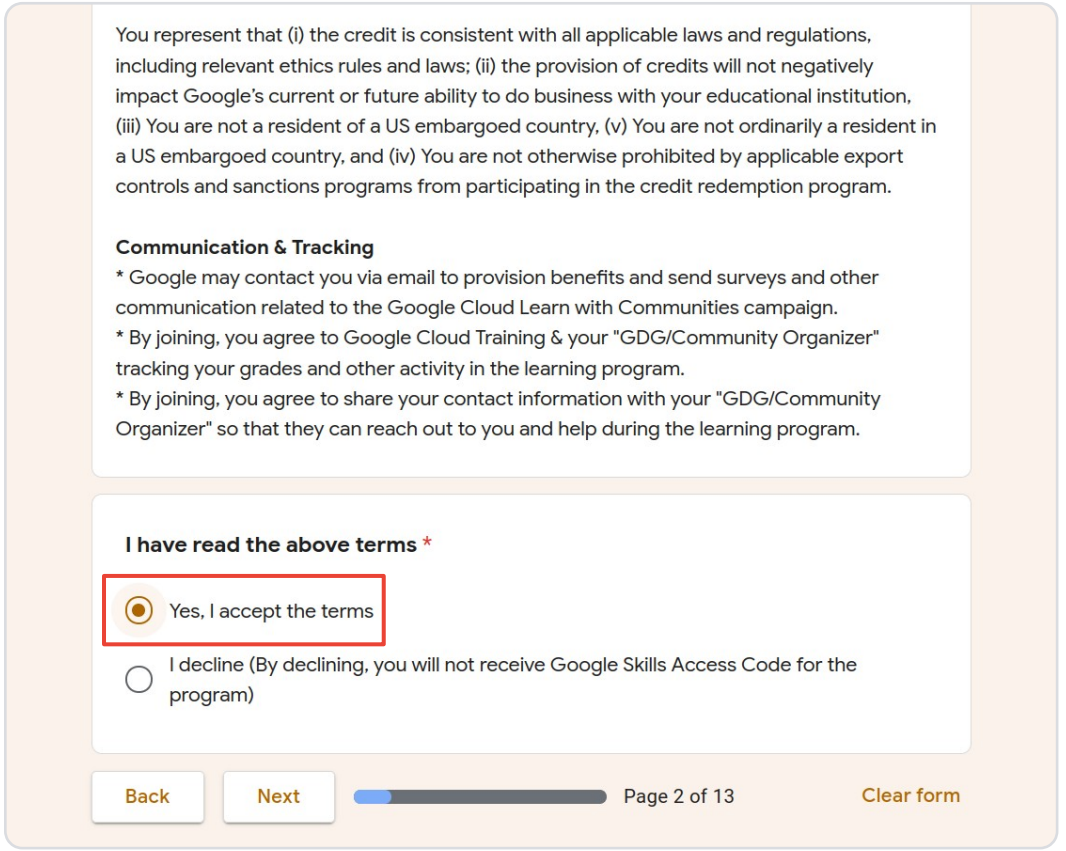

Accept the terms

Select Yes, I accept the terms, marked with the red box.

3

Click Next

If you decline you will not receive your Google Skills Access Code. Accept, then click Next.

Step 9: Fill in your details

Page 3 of 13: three required fields, marked with red boxes.

1

Your full name

Type your full name in the first red box.

2

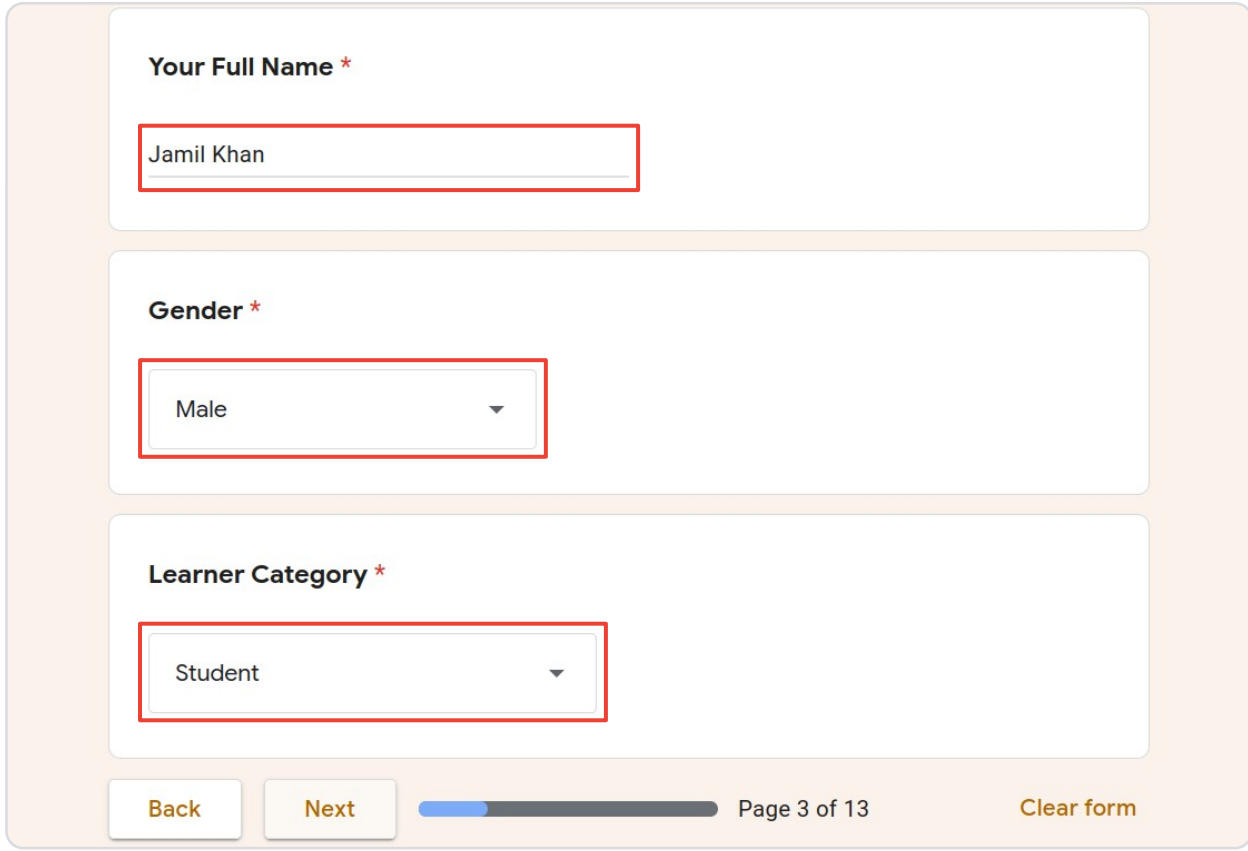

Gender

Open the dropdown in the second red box and choose your gender.

3

Learner category

Choose the option that fits you, such as Student, then click Next.

Step 10: Choose your organiser

Page 4 of 13: the most important page, so choose carefully.

1

Open the dropdown

Under Select Your Organiser Name, click the dropdown that says Choose.

2

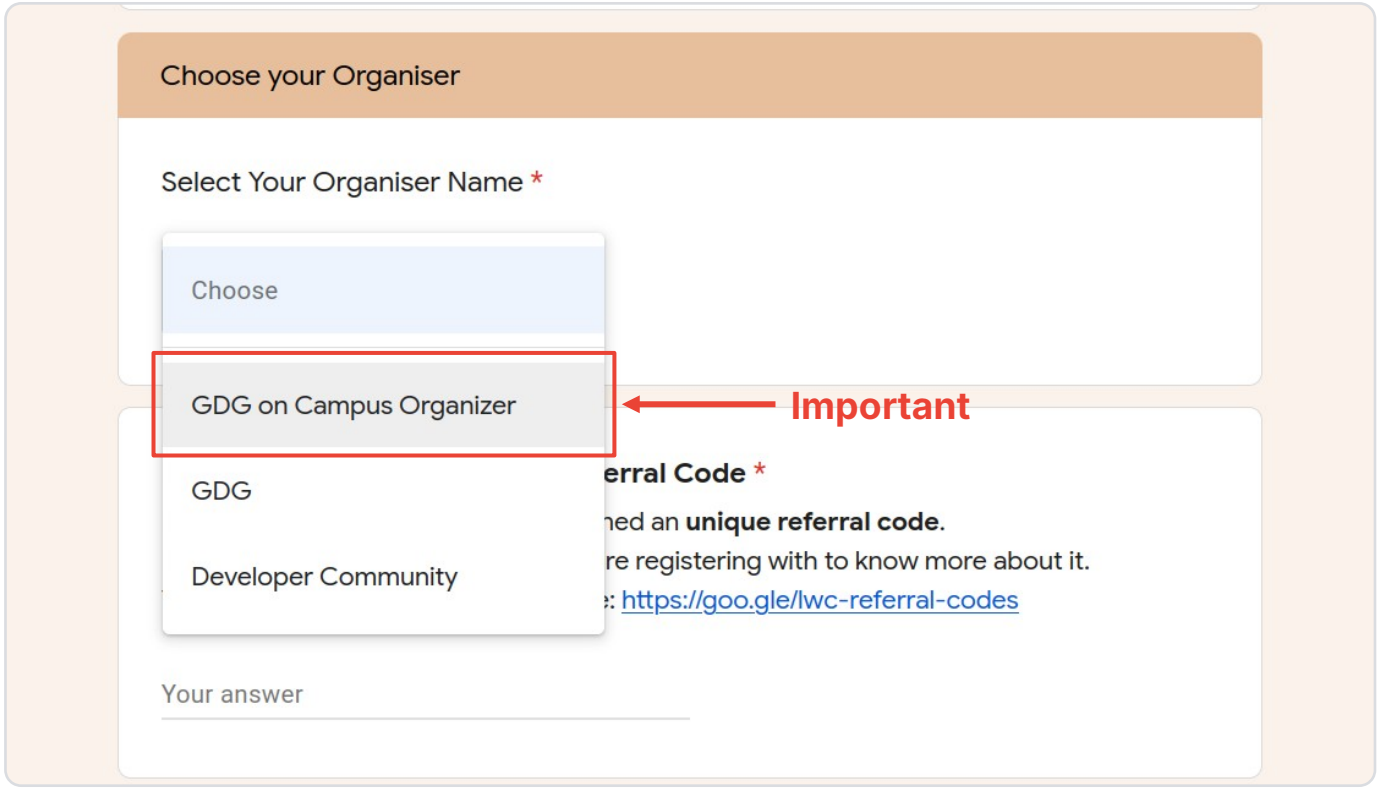

Choose the first option

Select GDG on Campus Organizer, marked with the red box.

3

Do not pick the others

Do not choose GDG or Developer Community.

Step 11: Enter the referral code

Still on page 4: the code links your registration to GDG on Campus APSIT.

1

Click the answer box

Under Please share your Organizer's Referral Code, click the answer box.

2

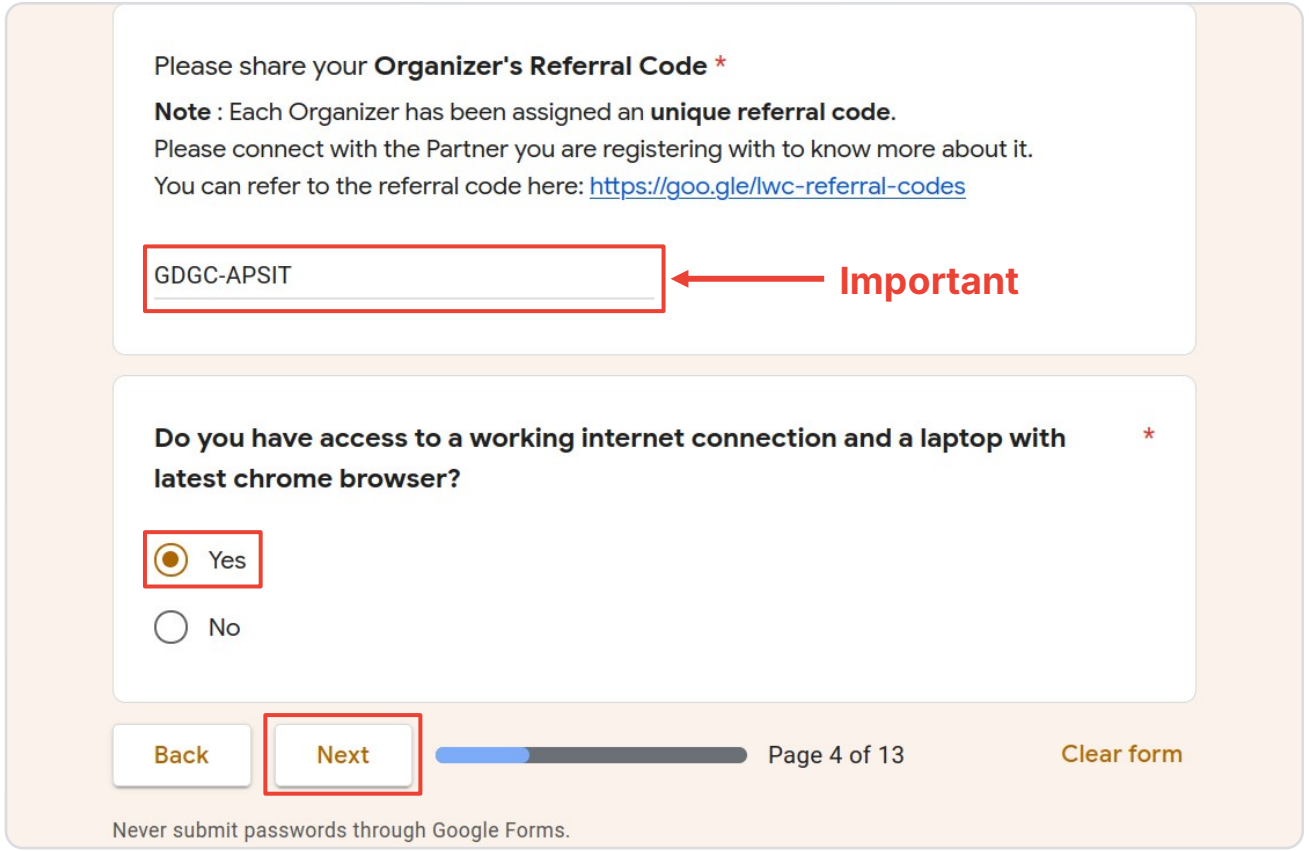

Type GDGC-APSIT

Type it exactly, in capitals with the hyphen, or you will not be credited to APSIT.

3

Choose Yes, then click Next

Select Yes for the internet and laptop question, then click Next.

Step 12: Verify and confirm your email

Page 5 of 13: confirm your new Google Skills account.

1

Select I verify

Confirm you created a NEW Google Skills account on or after September 14th, 2026.

2

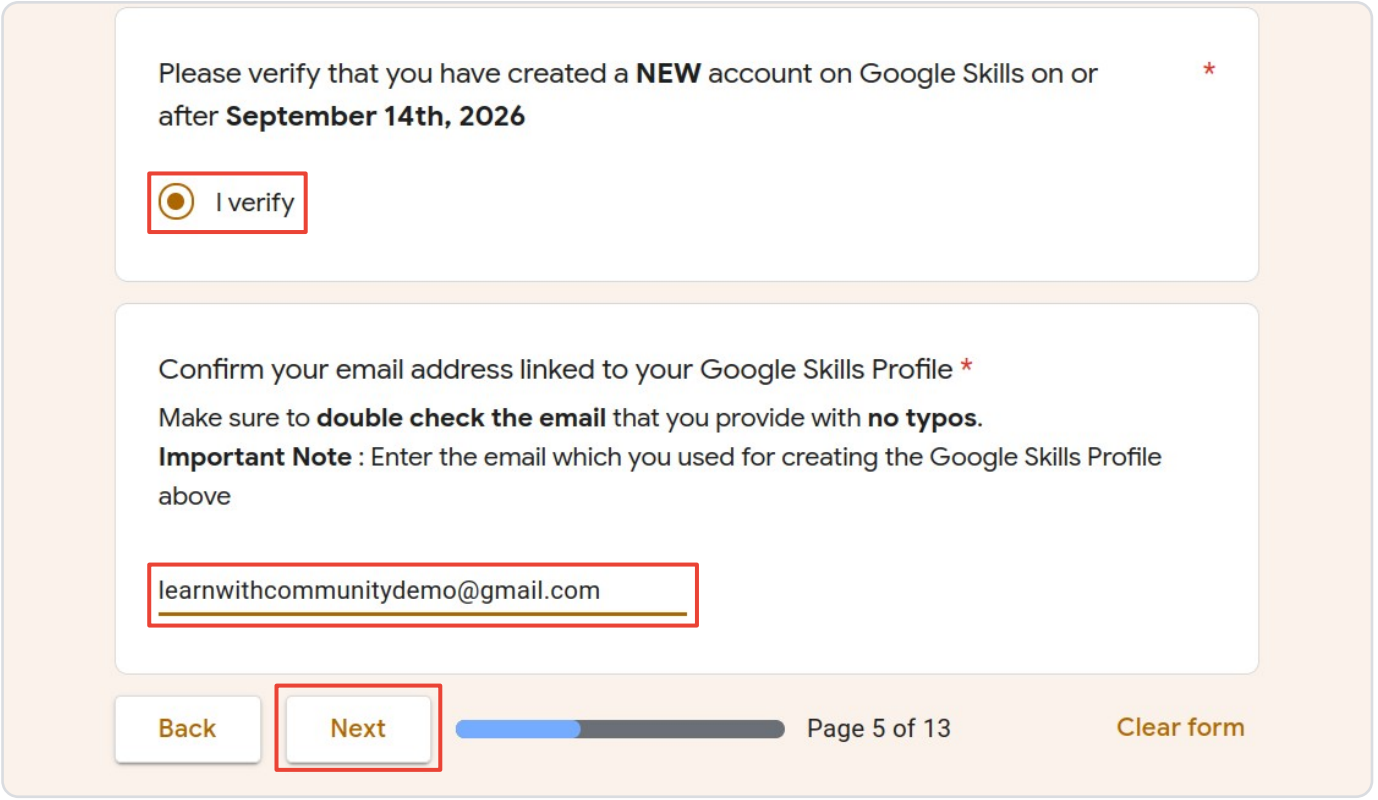

Enter your Google Skills email

Type the email you used for your Google Skills profile. Double check it for typos.

3

Click Next

Check the email once more, then press Next.

Step 13: Paste your public profile link

Page 6 of 13: use your own link, never ours.

1

Copy your own link

Go back to the green box from Step 5 (top picture) and copy YOUR profile link.

2

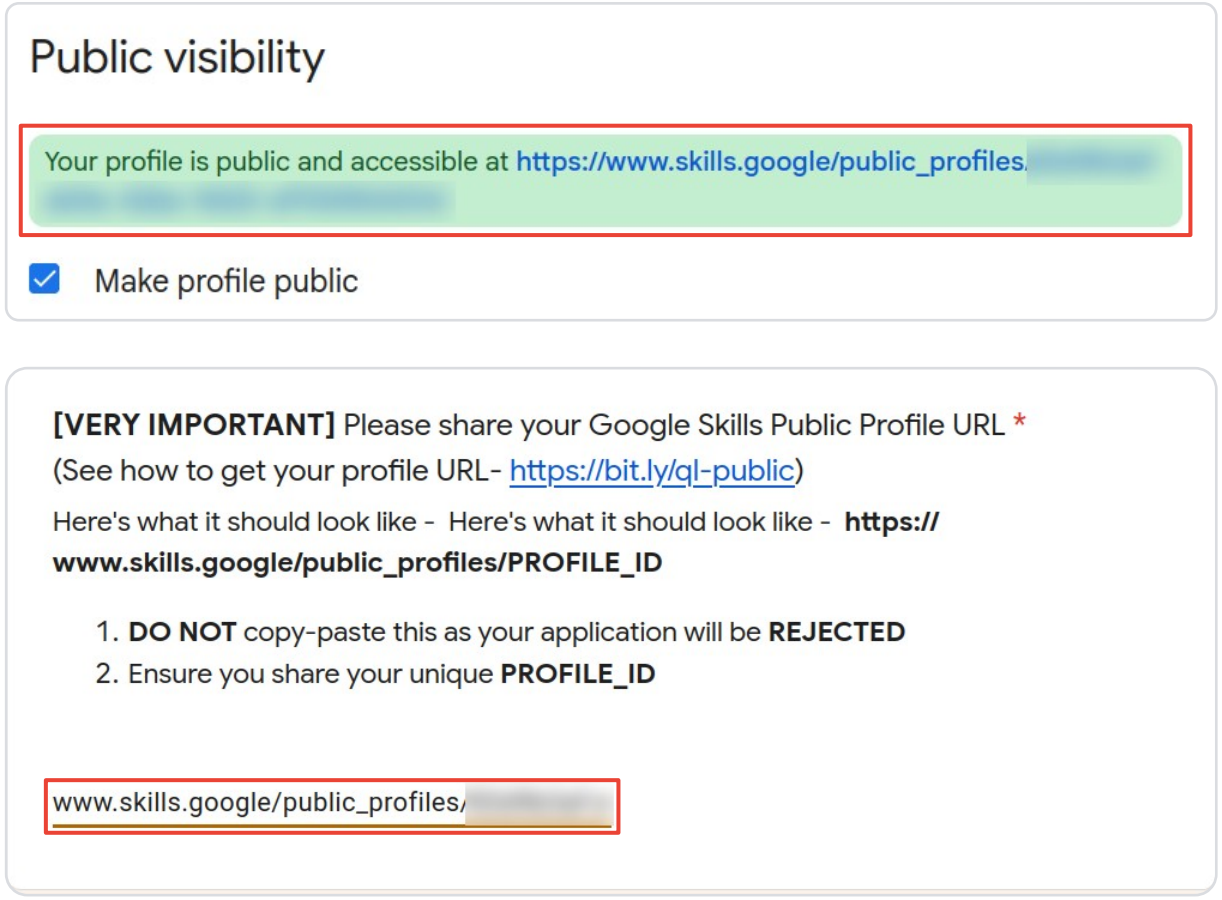

Paste it in the form

Paste it in the answer box (bottom picture) so it ends with your own unique ID.

3

Use your own, not ours

Our link is blurred on purpose. Copied links get rejected, so use only yours.

Step 14: Acknowledge the declarations

Pages 7 to 12 need no input: just click Next until you reach page 13.

1

Select I Acknowledge

Tick the first red box: the information you gave is true and correct.

2

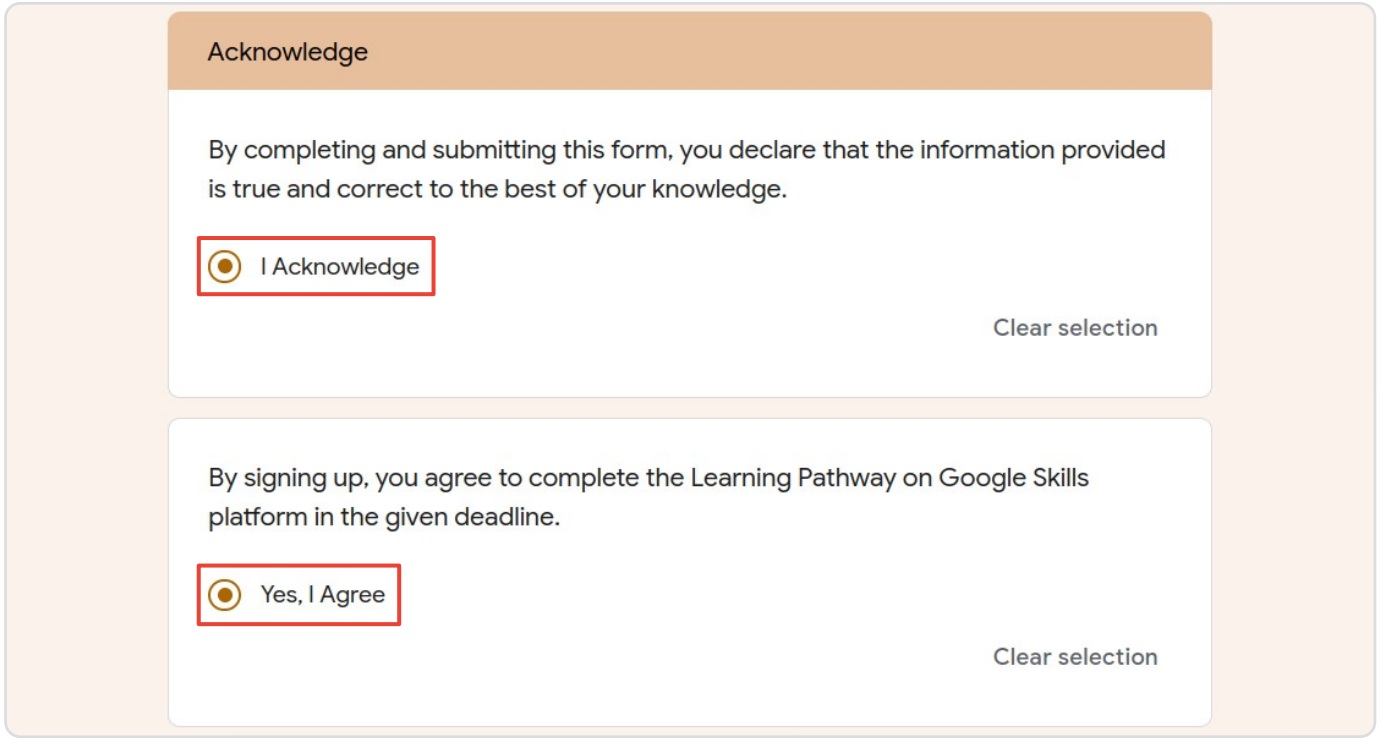

Select Yes, I Agree

Tick the second red box: you agree to finish the Learning Pathway on time.

3

Scroll down

Read the Points to Note before you submit, shown on the next slide.

Step 15: Read the notes and submit

Check everything, then submit the form only once.

1

Read the points to note

A wrong profile URL gets you rejected. Submit only once: if you fill it again, earlier entries are deleted.

2

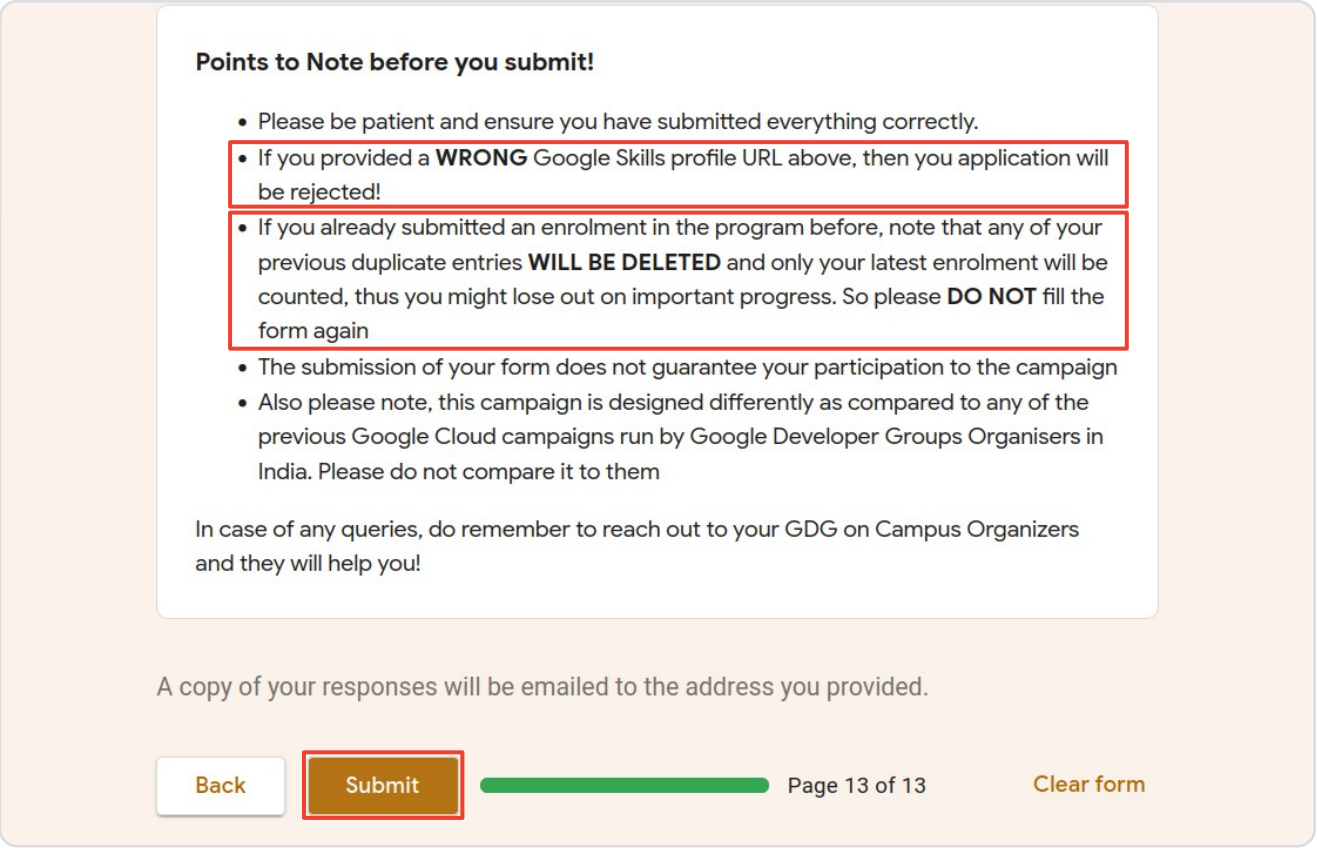

Click Submit

Press Submit (last red box) once all answers are correct. A copy is emailed to you.

3

Wait for your result

Submitting does not guarantee a seat. For queries, contact your GDG on Campus Organizers.

Part 1 complete!

Enrolment form submitted, now the second form

Well done! Next, check your inbox for the form receipt, then fill in the second form to confirm your seat. You are not finished yet.

Part 1 done | Check inbox | Then form 2 | Not done yet

Step 16: Check your confirmation email

Your first form is done. Now look in your inbox.

1

Find the email

Look for Thanks for filling out this form from Forms Response Receipts.

2

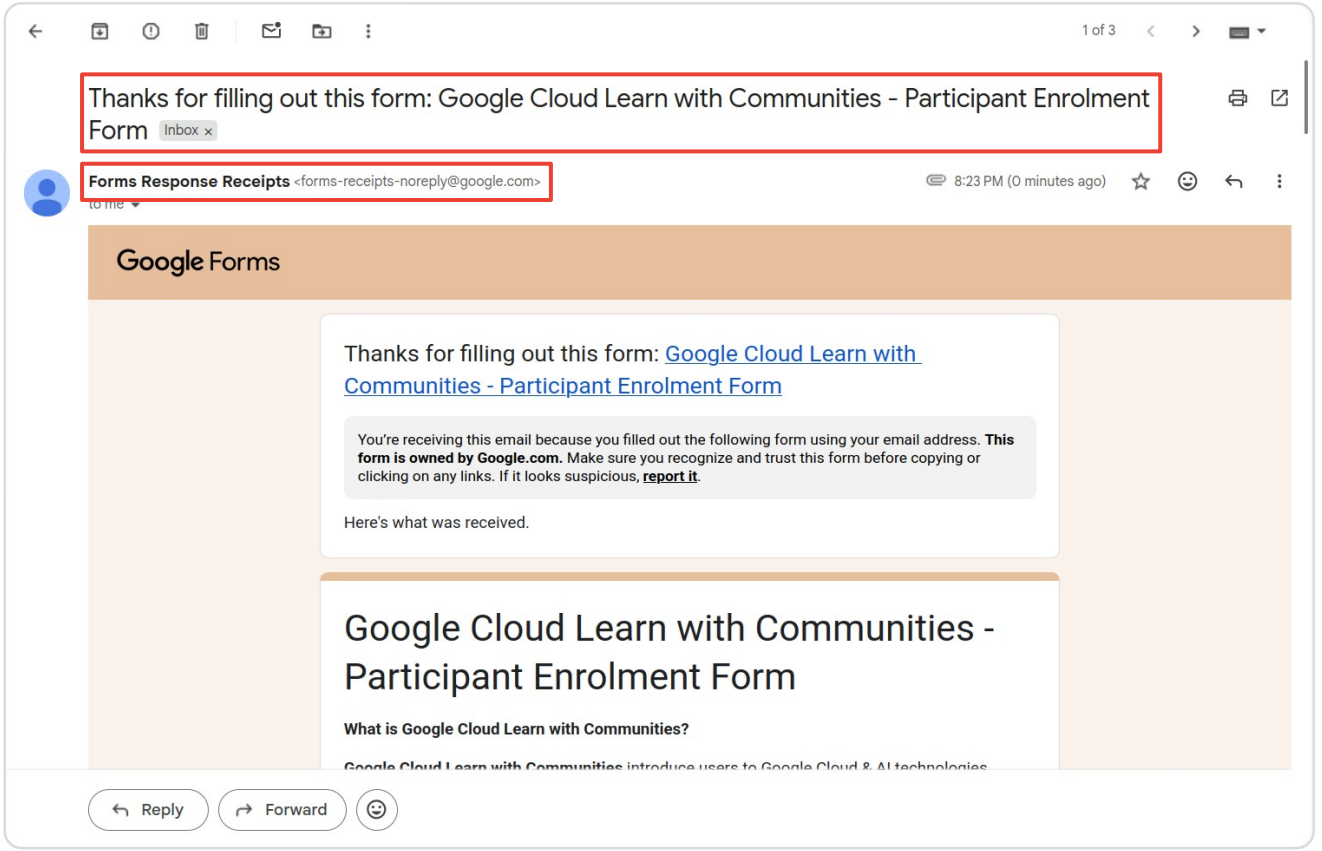

Open it

It confirms your enrolment form was received.

3

Open the second form

This is the next step, shown on the next slide. It is mandatory.

Step 17: Open the second form

This step is mandatory to confirm your seat for the Main event.

1 **Open the second form**

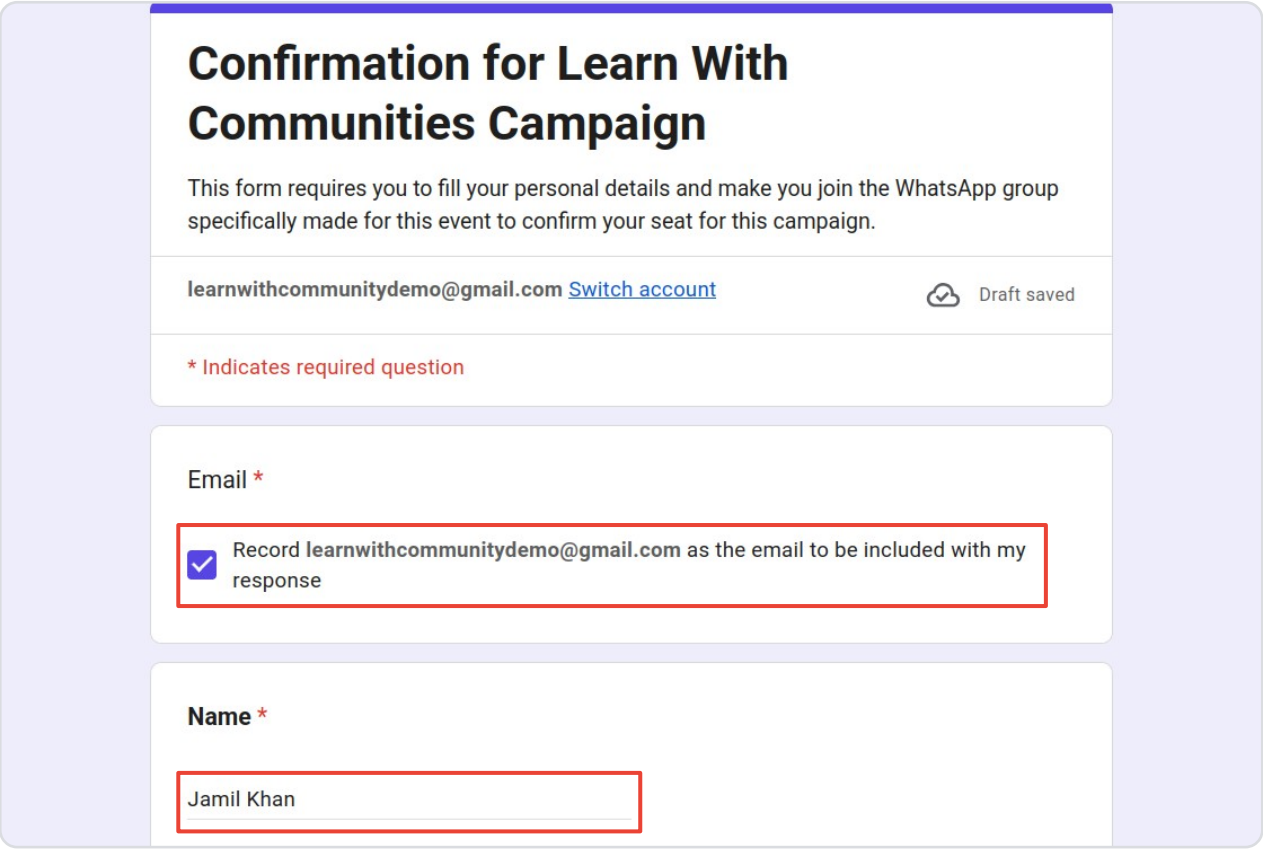

Open forms.gle/kkvPUmsR8FRjVuf47 in your browser.

2 **Tick the email box**

Keep the box ticked so your email is recorded with your response.

3 **Enter your details**

Type your full name, then fill in the questions below it.

Step 18: Join WhatsApp and submit

The last page of the second form confirms your seat.

1

Open the WhatsApp group link

Click Learn With Communities Whatsapp Group and join the group.

2

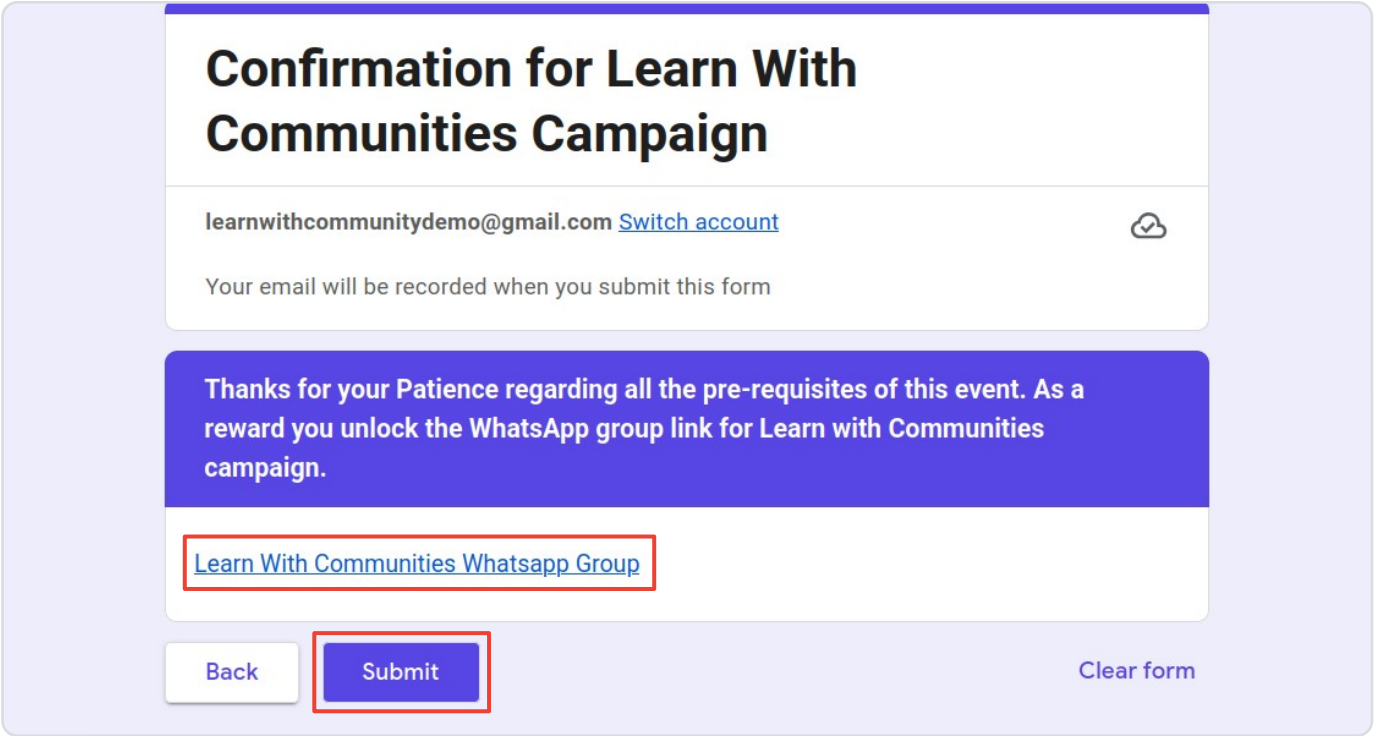

Join the group

The form asks you to join the event WhatsApp group to confirm your seat.

3

Click Submit

Press Submit to finish the second form.

Both parts are complete

Congratulations, you're done!
